ESI EQUIPMENT INC

End of Year Wish List

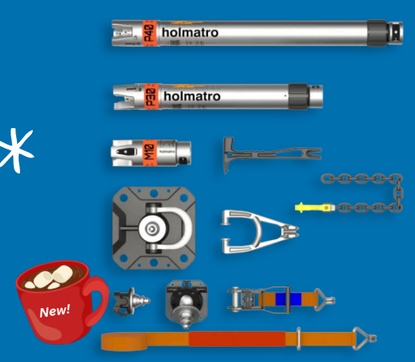

Positive Pressure Ventilator PPV20

Powered by two Holmatro batteries with on-tool charging, this high-performance PPV fan delivers fast deployment and powerful airflow for effective ventilation in the most demanding environments.

Compact Scene Light CSL10

Compact and powerful, this scene light delivers up to 14,000 lumens for fast, reliable illumination during emergency response, rescue operations, and roadside incidents.

Omnishore Basic Vehicle & Structural Shoring– Pneumatic Set VS-PS1

This OmniShore set provides reliable vehicle stabilization and spot shoring capabilities, with expansion options for lifting operations and high-directional applications.

Holmatro Battery Pump BP20

Battery-powered pump with two CORE connections, allowing two tools to be operated alternately.
